1: Jointly Developed Expectations and Objectives

Describe how the School works with parents and families to develop and review relevant plans, policies, and strategies related to engagement.

Guiding Questions

- **1.1:** *How does the School - in collaboration with parents - establish an engagement plan that reflects the specific academic improvement needs of the School, and that includes programs and practices that enhance engagement and address the specific engagement needs of students and their families?*
[A.C.A. § 6-15-1702(a)]
- **1.2:** *What efforts have been made to ensure adequate representation of parents and families of participating children in the process (Title I families)?*
[ESSA § 1116(c)(3)]

1.1: Jonesboro Leadership Magnet School will ask parents to serve on the FACE committee to support this process. The parents will be asked at the end of the school year to serve on the following year's committee. JLMS shall enable the formation of our PATCHES group, an organization that will foster parental and community involvement within the school that will meet twice a semester. JLMS will involve parents on school family engagement planning committees. Meet with the PATCHES to identify areas of need. Jonesboro Leadership Magnet School will engage parents in the annual evaluation of the Title I, Part A Program's parental engagement efforts through an annual evaluation using a comprehensive needs assessment filled out by teachers, parents, and school staff. The Title I committee, made up of teachers, parents, community members, and school staff, will determine the effectiveness of the parental engagement plan and make changes if warranted. While collecting evidence about satisfaction with the program and the school's efforts to increase parental engagement will be a part of the evaluation, the survey will also collect specific information on the (1) growth in the number of parents participating in workshops and meetings; (2) specific needs of parents; (3) effectiveness of specific strategies; and (4) engagement of parents in activities to support student academic growth.

1.2: Parents are asked to complete a survey during spring conferences to evaluate each program and give suggestions for the following year. If the parent is unable to attend the spring conference, the survey will be sent via email, text, or Dojo. Parents may submit comments to the district if the Title 1 School Wide plan is dissatisfaction. The comments will be reported to the district office. Parents will be invited to serve on the Parent Family Engagement (PFE) Committee. JLMS shall enable the formation of our PATCHES group, an organization that will foster parental and community engagement within the school. PATCHES meetings are held regularly throughout the school year giving families opportunities to contribute to this process in a meaningful way. JLMS will involve parents on school engagement planning committees. To support this process, JLMS will offer both school staff and parents training on how to contribute to this process. Parents can submit comments to the Family and Community Engagement Facilitator if the Title I Schoolwide Plan is not satisfactory. All comments will be turned in to the district office.

Parents will be given a summary of the student's test scores and an explanation of the interventions teachers are using to assist the child in reaching achievement goals. Parents will be asked to engage in discussion of how they can support these efforts. Parents will also be given suggestions for coordinating school parent efforts and explanations of homework and grading procedures. If more conferences are needed, parents will be contacted. JLMS uses TransPerfect. This is a call-in interpreting service. Someone at the school calls TransPerfect and an interpreter is available. This allows the school and parent to have a conversation in the parent's home language. TransPerfect will be used when the school needs to contact parents for brief conversations. JLMS will have a Family Night which will provide an opportunity for the parents and their child(ren) to experience the school in a positive and helpful manner while school staff may provide any needed assistance or encouragement. This will take place in the second semester. Additional opportunities for parents/stakeholders to participate in school based activities: Family/Child(ren) Prom and Arise to Read Family Picnic. JLMS FACE coordinator is Lindsay Phillips. She can be reached by calling 870-933-5855.

JLMS will provide parent(s) reports and/or report cards with information regarding their child's academic progress and upcoming classroom and school events. Teachers will send parents a parent friendly letter in the first report card that explains their child's test results and standardized test scores if they are unable to attend parent/teacher conferences. JLMS will use a call out system to alert parents of school closings, important meetings, etc...

2.3: The first conference will be October 19, 2023 from 3:30-8:30. The second conference will be March 14, 2024, from 3:30-8:30. If parent(s) are unable to attend Parent/Teacher conferences, teachers will give the parent(s) several different times they can meet with them. If they are unable to meet in person, the teacher will offer a phone call, conference over Dojo, or via Zoom. Parents may contact anyone via Class Dojo at their convenience to discuss any issues that may arise throughout the school year. The school allows parents to schedule meetings with administration, teachers, and/or staff at their convenience by calling the office to schedule the meeting.
